Dear Families,

Welcome to the 2011 school year. This is your invitation to join us for one of six *Scholarships and Tuition Talks*. Each talk will invite you, motivate you, and hopefully inspire you to even greater participation in our mission, which is no less important than the Gospel message itself.

At each talk (all the same, but you're welcome at more than one!) we will examine the important role of scholarships in achieving our mission. We will ask you to please apply for a scholarship if you need one. In fact, if you don't apply for one and you need it, you will literally learn how it might prevent us from achieving our mission. We will also ask you to share the message that Cathedral will work with all families to find a way to make enrollment possible.

We have been focused on planning the 2011 school year for several weeks. We have some exciting enhancements to the curriculum and our goal is to have at least one more student than this year. To help us achieve the goal we are increasing scholarship money by more than 50%.

Following each of the six *Scholarships and Tuition Talks* we will have enrollment and registration packets for you to take home. Since we want all families to participate in one of the talks, the packets are not being mailed. Scholarship packets will also be available following each talk. This is the schedule for the six talks and the two enrollment/ registration events:

- Tuesday February 9th at 5:30 PM – Holy Angels Auditorium
- Wednesday February 10th at high noon – Holy Angels Auditorium
- Thursday February 11th at 7:30 PM – Holy Angels Auditorium
- Thursday February 18th at 7:00 AM – Holy Angels Auditorium (with coffee!)
- Monday February 22nd at 6:00 PM – Holy Angels Auditorium
 - **This is one of the enrollment/ registration evenings, 4 PM – 8 PM, Cafeteria**
- Tuesday February 23rd at 4:00 PM – Holy Angels Auditorium
 - **This is one of the enrollment/ registration evenings, 4 PM – 8 PM, Cafeteria**

We want to achieve 100% of our families participating. If the six options don't make it possible for you to participate, we will arrange for a 7th option; phone or write or stop in for details on the 7th option. My direct line is 320-257-2114 or MMullin@chs23.org

I'm excited to welcome you to the 2011 school year. We've been educating students on this corner of town since 1884; I'm so very happy you're a part of the Cathedral tradition.

Bountiful blessings,

Michael A. Mullin
President
